

# LOUDSPEAKERS

## FLOOR STANDS

### VLS 105

**The VLS 105 universal loudspeaker floor stand is ideal for home cinema front and surround speakers (weighing up to 1.5kg/3.3 lbs).**

It features Vogel's Cable Inlay System (CIS<sup>®</sup>) to keep all cables cleverly concealed. You have a choice of three easy mounting options, and it is suitable for most speaker brands. Spiked feet are fitted for optimal acoustic performance (with additional rubber feet for delicate floors).
